

**We were All made in the image of our creator.
The objective of the human journey is to first,
remember why we are here.**

**Then to learn just what "human" is—
to learn to love unconditionally and without judgment.
to humbly serve others, with a loving heart.**

**Our creator gave each of us a free will to choose our path.
With love I choose to stand up tall & proud for my right to be here.
In the creator's plan, I Belong here right now exactly as you do.**

**In love I now choose to enjoy this life without guilt.
With love I forgive all the childhood bullies of my past,
Whose efforts stole my self worth and self esteem.**

**In Love, I choose to take back my divine right to be here,
And, my divine purpose to learn from this "human" time on Earth.**

**With love, I will not validate or accept that,
I am any less worthy of this journey because of
My size, my color, or what path I choose to follow.
I will dance and laugh and sing and learn in peace and love while I am
here.**

**One day, when this human body cannot serve me anymore,
I will leave it behind and return home.**

**For on this journey I have learned to be the best I could be,
I was made in the image of our creator.**

**And,
as equally as you,
I am light, I am spirit and I am love.
Love is why I came here.
And love begins with me**
