

## LOVE begins with me

LOVE begins with me  
When all Humankind I fondly see

LOVE begins with me  
When the dignity of human diversity I see

LOVE begins with me  
when I wish GLOBAL PEACE there to be

LOVE begins with forgiving  
and with a humble life of giving

LOVE begins with you and me  
together crossing a calm spiritual sea

-Francisco Gomes de Matos  
Peace Linguist  
Recife, Brazil
