GREETINGS:

It is my pleasure to join with The Love Foundation to support May 1, 2021, as Global Love Day.

Global Love Day will establish a worldwide focus towards unconditionally loving each other, as we strive to first love ourselves. Since its launch in 2004, The Love Foundation has made it their mission to facilitate in establishing ideals of love and peace worldwide. This event will show that all life is interconnected and interdependent. It is important that we continue to pursue peace, all while embracing our differences, as the ability to love all people is an essential part of our American identity. The Love Foundation believes in bringing unconditional love back into our personal, professional, community, and family lives. Together, we unite to make a difference and bring awareness through the gift of love. I am confident that Global Love Day will continue to have a positive impact on the commonwealth and its citizens for many years to come.

As Governor, and on behalf of all the citizens of the Commonwealth of Pennsylvania, I am honored to support May 1, 2021, as Global Love Day. Please accept my best wishes for continued success.
