

ME = WE!

If I want LOVE I cannot seek it without,
I am LOVE'S living creation inside and out,
I choose it; I feel it in this life as- ME;
My collective connection I can then SEE.

Nothing is grander than the sparkle of kindness,
As unique vibrations WE unite in wonderful ONENESS!
Sharing shimmers of sentient RAINBOW LOVE'S LIGHT,
Creating in GRACE that yields BEAUTY SO BRIGHT!

~ Soulla Michael
