"LOVE"

*Poem by Leon A. Enriquez
Singapore*

Love wears a face
So full of grace

Love is the way
To live each day

~~~~~

Love comes to call  
To one and all

Love is the truth  
That act of proof

~~~~~

Love comes to heal
The way you feel

Love gives you hope
To frame your scope

~~~~~

Love is most kind  
To heal and bind

Love heals you whole  
Heart, mind and soul

~~~~~

Love binds all things
As joy now springs

Love tells on you
In all you do

~~~~~

Love pours and pours  
And yet there's more

Love like a child  
Free, true and wild

~~~~~

Love comes to be
The sight you see

Love is being
True becoming

~~~~~

Love charms your will  
As your heart heals

Love casts the spell  
To make you well

~~~~~

Love breeds your soul
To make you whole

Love starts with heart
As joy imparts

~~~~~

Love seeds all flair  
As fire needs air

Love breathes mystic  
In glimpse magic

~~~~~

Love takes you high
As voice now sighs

Love makes happy
Your life story

~~~~~
