

GLOBAL LOVE DAY – 2026
SUBMISSION OF POEM - IF LOVE BEGINS WITH ME

A FRIENDLY OPTION

Neither a beginning
Nor an ending,
Always erupting
Love keeps on enticing.

The disruption
Or the rejection,
Love is ultimate option
To bestow reconciliation.

Love begins with anyone
Extends to everyone,
One after the one
No doubt, it can enlighten.

Love, I am the torch bearer
Move on, without fear,
Like a fragrant flower
I aim to nullify the filthy war.

In me, yes, love begins
In the form of peace weapons,
I drop them in war terrains,
It's my people-friendly option.
